

How to Integrate Constant Contact With Quiz Maker

ProProfs single sign-on integration with Constant Contact helps you **create lead generation quizzes** and instantly send them to Constant Contact lists. After the integration is completed, you can start populating the Constant Contact mailing list by importing details of the learners who take your quiz on ProProfs.

Follow these simple steps below to see how this can be done:

Step 1: To start importing the details of the learners every time they take a quiz, start by selecting the quiz you want to use for lead generation and click "Settings".

Step 2: On the settings page, click on "Security" tab.

Step 3: When the "Security" page opens, under tracking configuration choose "yes" in email

tab.

 Mailchimp	Yes No ?
 Salesforce	Yes No ?
 Infusionsoft	Yes No ?
 HubSpot	Yes No ?
 Constant Contact	 Manage Yes No ?

Step 5: Enter your Constant Contact username and password and click Next.

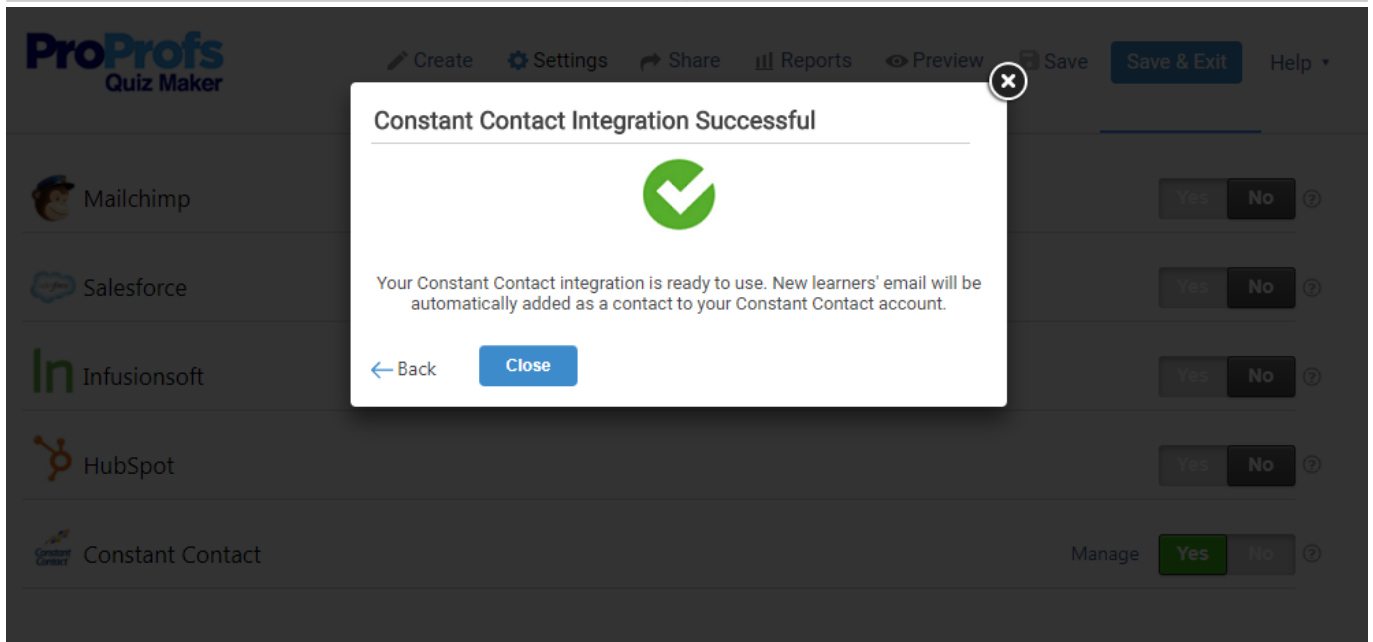

The screenshot shows the 'Constant Contact Integration Wizard' window. The title is 'Constant Contact Integration Wizard'. Below the title, it says 'Please enter your Constant Contact username and password'. There are two input fields: 'Username:' with the value 'john.walters@gmail.com' and 'Password:' with masked characters '.....'. At the bottom, there are two buttons: 'Back' with a left arrow and 'Next' with a right arrow. An orange arrow points to the 'Next' button. In the top right corner of the wizard window, there is a close button (X) and a 'Save' button. The background shows the ProProfs interface with 'Survey Maker' and 'More' options.

Step 6: Select a list from your Constant Contact account from the drop-down menu.

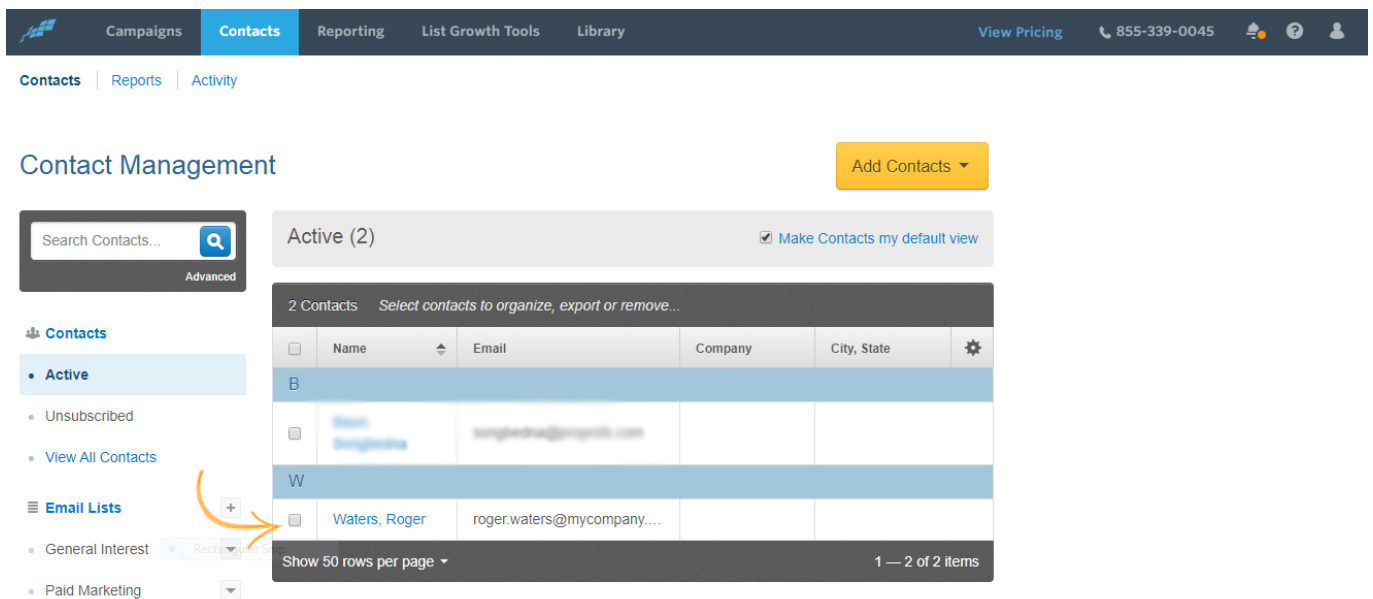

The screenshot shows the 'Constant Contact Integration Wizard' window. The title is 'Constant Contact Integration Wizard'. Below the title, it says 'Please select a list to add new contacts.'. There is a 'Select list:' label followed by a dropdown menu showing 'Select From List'. An orange arrow points to the dropdown menu. At the bottom, there are two buttons: 'Back' with a left arrow and 'Next' with a right arrow. In the top right corner of the wizard window, there is a close button (X) and a 'Save' button. The background shows the ProProfs interface with 'ProProfs Quiz Maker' logo and various integration options like Mailchimp, Salesforce, Infusionsoft, and HubSpot.

Step 7: After you complete the above steps, a popup will appear informing you that the integration is active as shown below and you are all done.

This is how the learner's details will appear in your Constant Contact account once they have taken your quizzes.
