How to Sell Quizzes & Courses on ProProfs Store Using Stripe

Stripe is a fast and safe payment processor used popularly for e-commerce store transactions. Leveraging Stripe on ProProfs Store allows you to sell your quizzes and courses and get paid instantly.
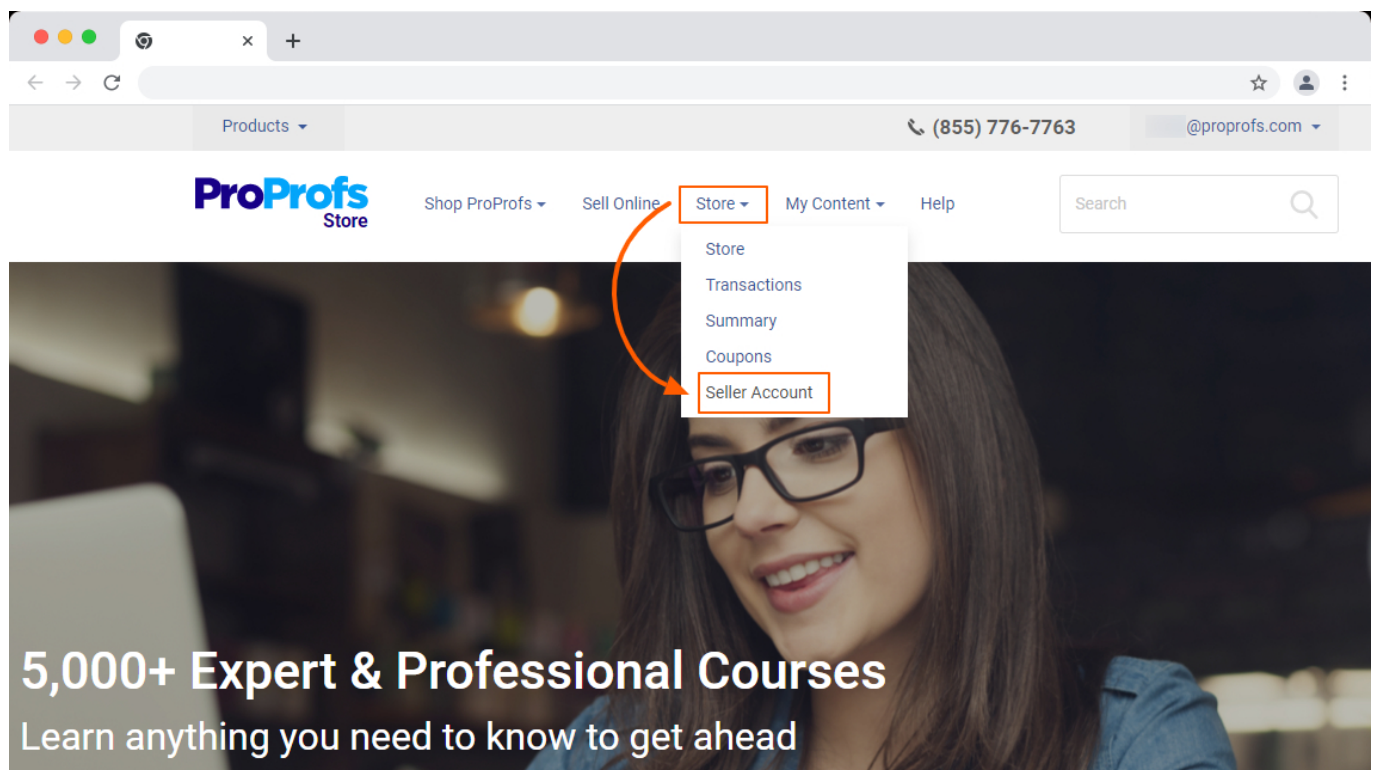

> NOTE: ProProfs do not charge you when using the Stripe payment method. However, Stripe charges a fee of 2.9% + 30¢.

Using Stripe for selling your quizzes and courses on ProProfs Store:

- Gives you the Level 1 compliant PCI service for secure payments.

- Doesn't require a separate Stripe account. Simply enable Stripe with a single click when selling a course/quiz.

To Enable Stripe for Selling Quizzes & Courses

Step 1: Log in to your ProProfs Store account and navigate to **Store > Seller Account.**

Step 2: Fill in the account details.
