

Does Proprofs Quiz Maker Support Data Portability?

With GDPR in effect from 25th May 2018, every user has the right to access their data. Administrators can access their end-users data and help serve their users' data rights. [Learn more about GDPR and Data Portability.](#)

Here's how you can export reports:

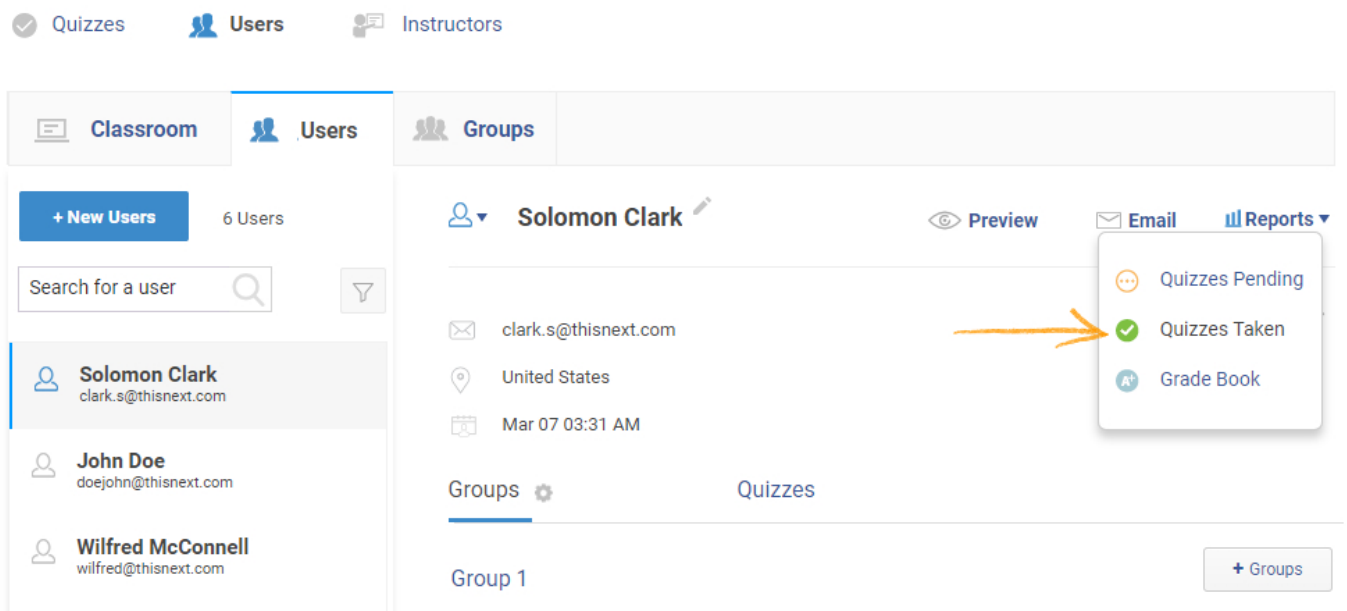

1. All Reports of a Quiz:

Navigate to the particular quiz reports, select the report(s) you wish to export and click the 'Download' icon.

2. All Reports of a User:

(i) Navigate to your [classroom](#), select a user and open their reports.

(ii) Select the report(s) to export and click the "Download" button.
