

How to Recover Deleted Quizzes

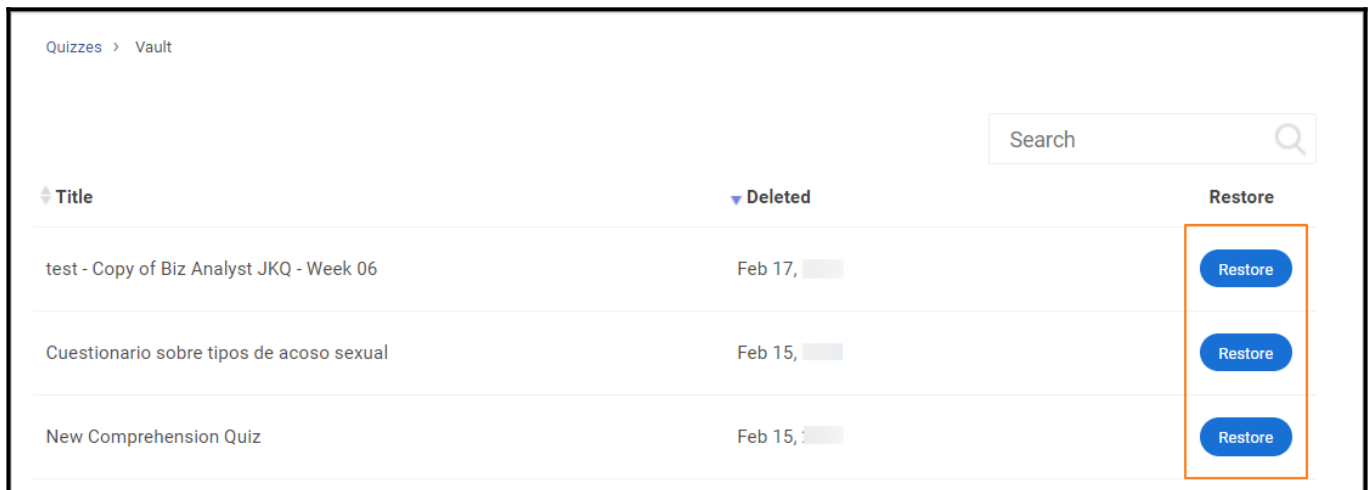

If you delete a quiz by mistake, don't worry, you can still get it back. The deleted [quizzes](#) go to the "Vault," from where you can restore them easily. The Vault feature ensures that you never lose any content.

Follow the steps given below to recover a deleted quiz:

Step 1: Go to **More > Trash** on your quiz maker dashboard to open the "Vault."

Step 2: Here, you will see all your deleted titles available for restoration. Click **Restore** to send the quiz to your live quizzes list.

Note: Reports will be restored only if attempts were not deleted before quizzes.
