

How to Customize a Quiz Appearance

Watch this video to learn how to customize the appearance of your quiz, or see the steps below.

You can brand your quiz by adding your logo and text under the header section.

Step 1: Navigate to "Settings" -----> "Theme." Select what you want to change such as [quiz theme](#), background, fonts, [logo](#) and more.

Science Quiz

[General](#) [Security](#) [Notifications](#) [Price](#) [Theme](#) [Social Media](#) [Advanced](#) [Integrations](#)

Make Your Quiz Look Better
