

# Does ProProfs Quiz Software Offer the White Label Feature?

[ProProfs Quiz Software](#) white label feature ensures your users take the quiz on your website (under your brand) without ever leaving your website and with no indication of the quiz being powered by ProProfs. With white label, the quiz [embedded on your site](#) builds your brand and enhances the content on your site.

The white label feature is autoactivated whenever a user signs up with ProProfs Quiz Maker. However, users may encounter some technical difficulties as it is a premium feature and requires an updated status of the user's quiz maker account. In case of any difficulty related to the feature contact our support team at [support@proprofs.com](mailto:support@proprofs.com).

## What are the benefits of white label?

- Removal of "Powered by ProProfs" - helps in showcasing your quiz as an authentic part of your website.
- [Add custom themes to your quizzes](#) - add your brand's logo, change the font, background theme and more.
- Allow users to log into the quiz seamlessly through your website with [SSO integration](#).
