

How to Brand a Classroom

ProProfs Quiz Maker allows you to customize your classroom branding for a personalized experience. You can do this by adding/editing the quiz title, description, and logo for your classroom login page.

Follow the step-by-step guide below to learn how you can brand your classroom.

Here's how your Classroom login screen gets enhanced with branding and customization options:

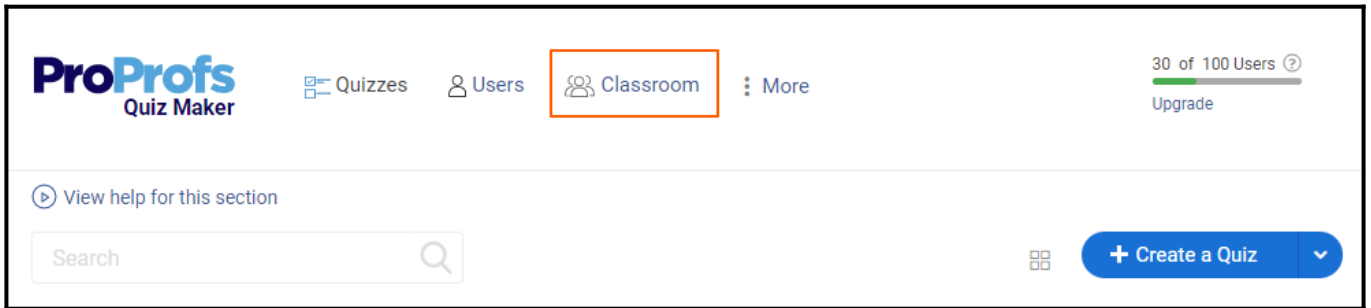

By branding your classrooms, you can:

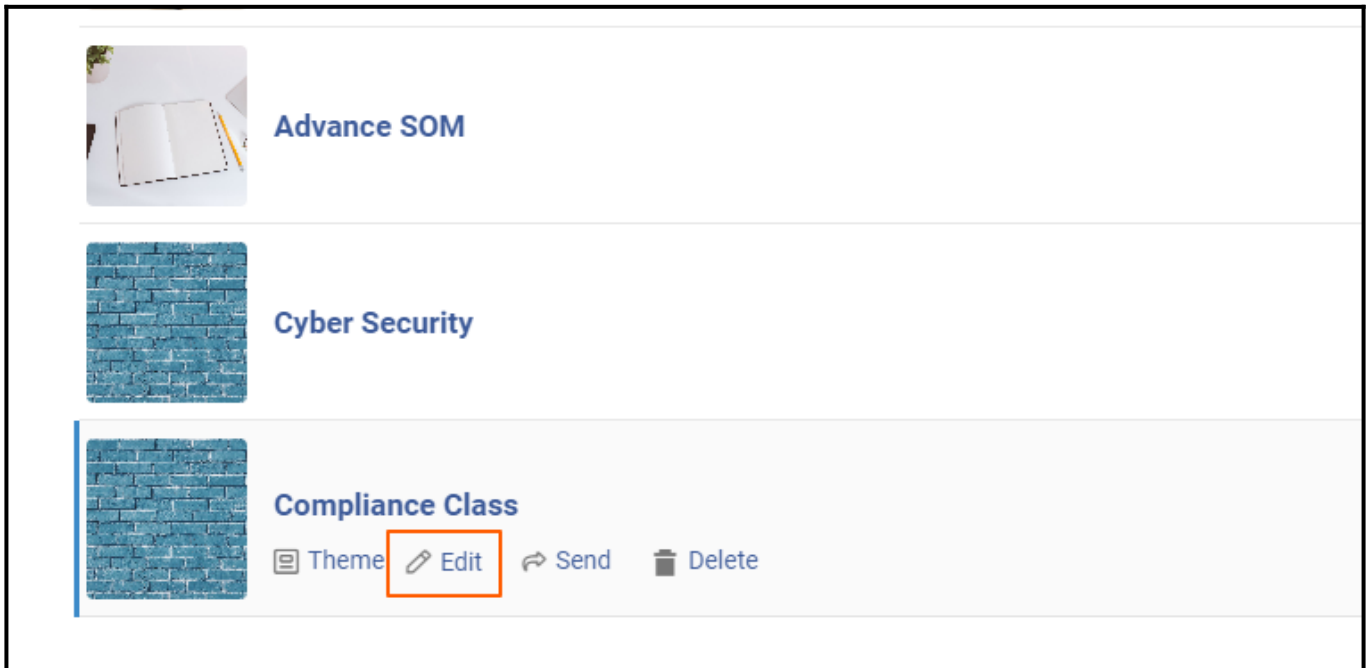

- Make your classroom login screen impressive and attractive
- Showcase your or your client's brand identity

How to Brand Your Classroom

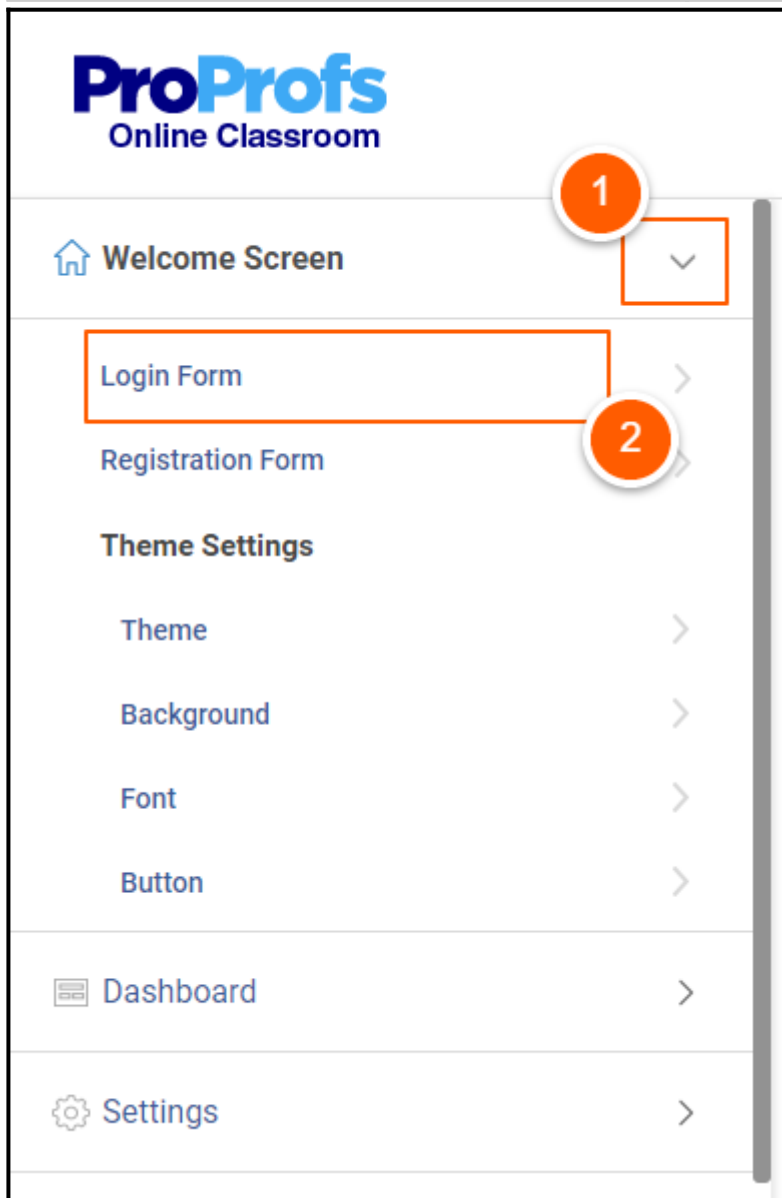

Step 1: Go to “Classroom.”

Step 2: Navigate to your classroom and click **“Edit.”**

Step 3: Click **“Welcome Screen > Login Form.”**

Step 4: Under the “**Login Form**,” edit the classroom title, description, and logo. Click “**Save**” to apply the changes.
