

How to Create a Personality Quiz

A [personality quiz](#) helps you understand the aspects of an individual's character or psychological makeup. The grading system is also different, since there are no right or wrong answers, and you can assign points to answers' options based on your discretion.

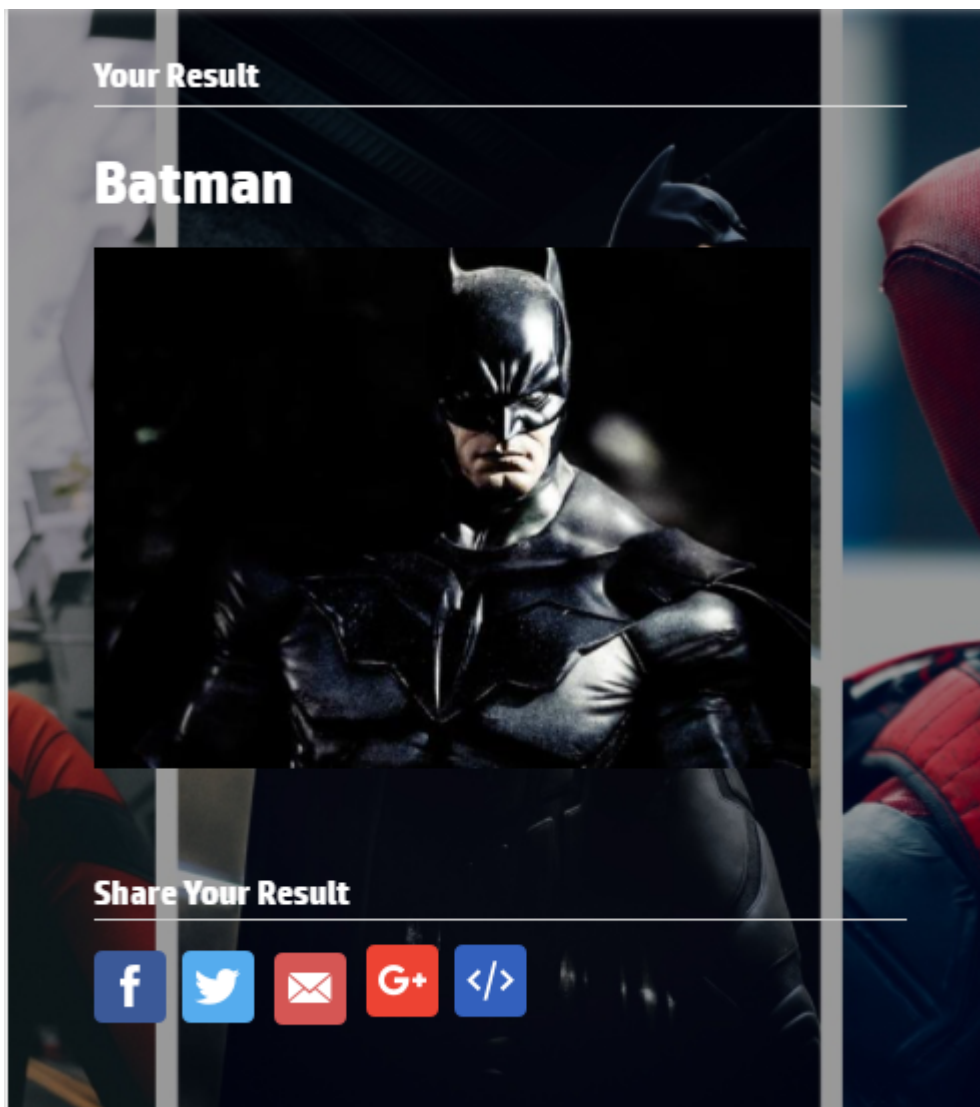

Watch this **quick video** to learn how to create a personality quiz:

Or **continue reading** to understand it step-by-step.

Personality quizzes help you to:

1. **Engage** users in a fun-loving way
2. **Collect** website visitors' data and build an email list

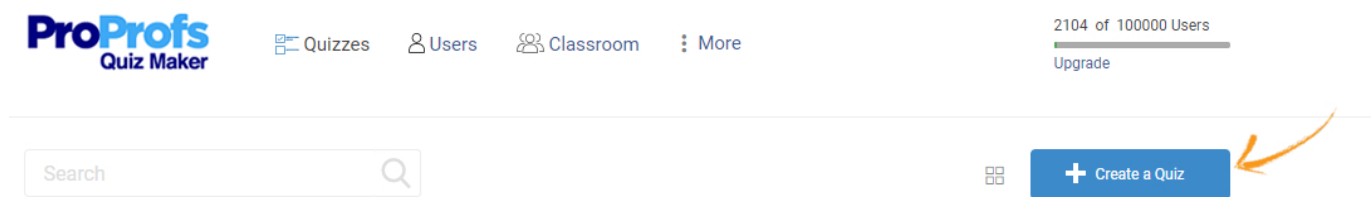

Here's what the result will look like after taking a superhero personality quiz:

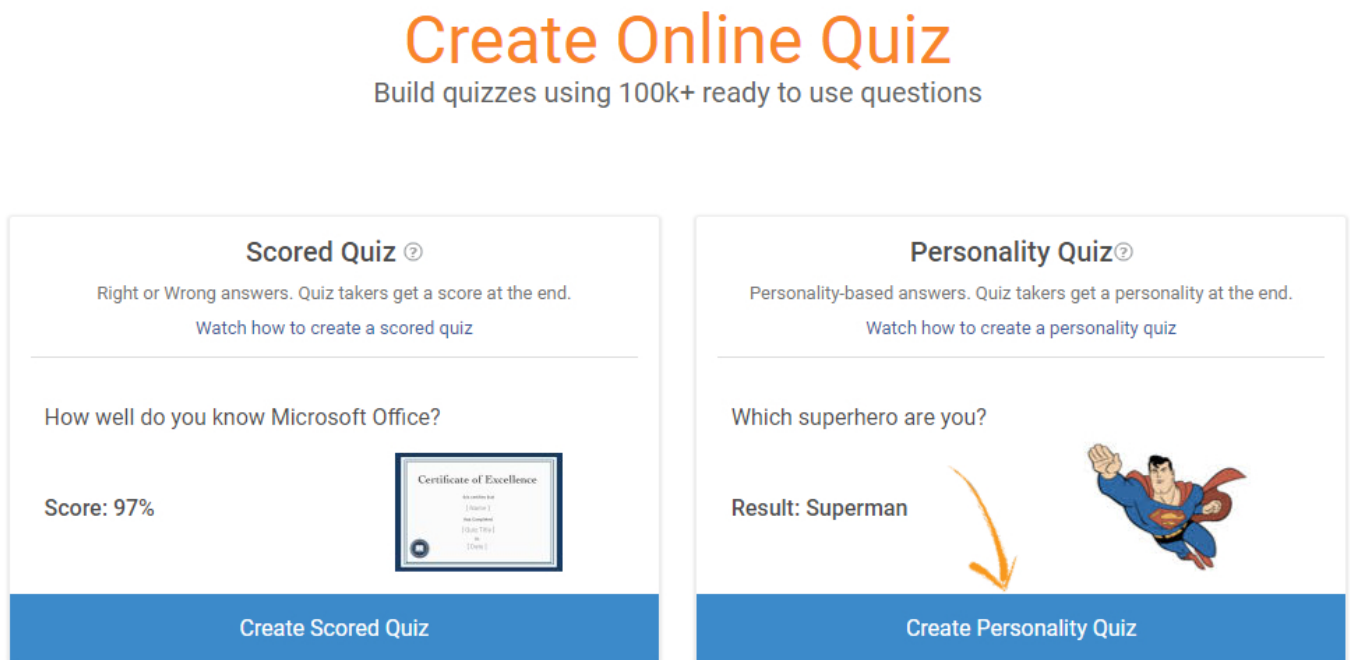

Note: There is a difference between 'scored' and 'personality' quizzes. Watch this [video](#) to learn more.

Here are the steps to creating a personality quiz:

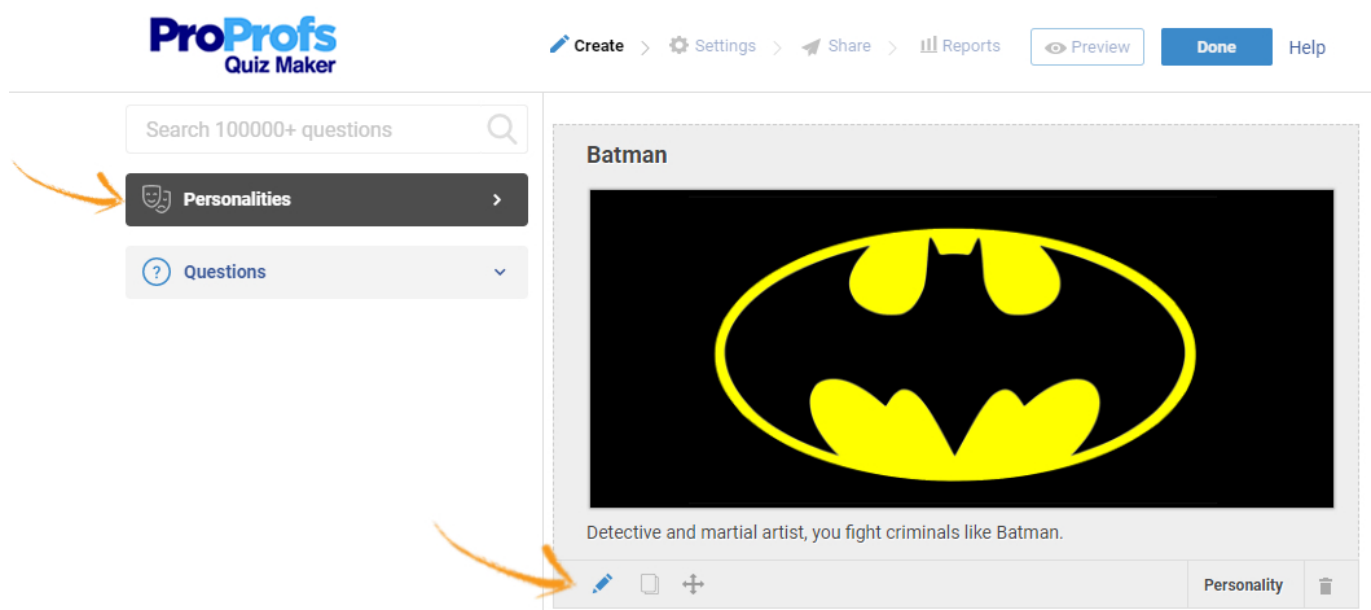

Step 1: On your ProProfs Quiz Maker dashboard, click **+ Create a Quiz**.

Step 2: Click **Create Personality Quiz**.

Step 3: On the editor, click **Personalities** to add various personalities of your choice. By default, we have provided Superheroes. Click on a personality to open it for editing.

Step 4: You can edit the name, description, and image according to your preference.

Title

Describe the outcome in a few sentences

Detective and martial artist, you fight criminals like Batman.

1. Edit the question here.

2. Edit the options and **add more** if needed. Assign the most suitable personality to each option.

3. You can switch between the **Multiple Choice** and **Checkbox** question types. Choose how you want the options listed - **vertically**, **horizontally**, or in **columns**. Enable the **Advanced** setting to assign points to each option. Click **Done** once you've customized the entire question to your liking.

Step 7: Similarly, add more questions to your Personality quiz. You can also import questions from other quizzes by clicking **Import Questions**. Finally, click **Done** to save your Personality quiz.

The screenshot shows the ProProfs Quiz Maker interface. At the top, there's a navigation bar with the ProProfs logo and links for Create, Settings, Share, Reports, Preview, Done, and Help. Below the navigation bar, on the left, is a sidebar with a search bar labeled 'Search 100000+ questions'. Underneath the search bar are buttons for 'Personalities' and 'Questions'. The 'Questions' button is highlighted with an orange arrow. Below these are buttons for question types: Multiple Choice, True/False, Checkbox, Essay, and Audio/Video. Under the 'Other Options' section, the 'Import Questions' button is highlighted with an orange arrow. To the right of the sidebar, the main area shows a quiz question: '1. What kind of a superhero are you?'. Below the question are five radio button options: 'Detective and martial artist, you fight criminals like Batman.', 'Rough and aggressive, you're the ultimate superhero.', 'Engineer, playboy and billionaire rolled in one.', 'You are speedy, nerdy and ingeniously superb.', and 'Muscular, strong and powerful, you've the limitless strength of Incredible Hulk.'

That is all about creating a new 'Personality Quiz' with ProProfs Quiz Maker.
