

How to Create a Personality Quiz

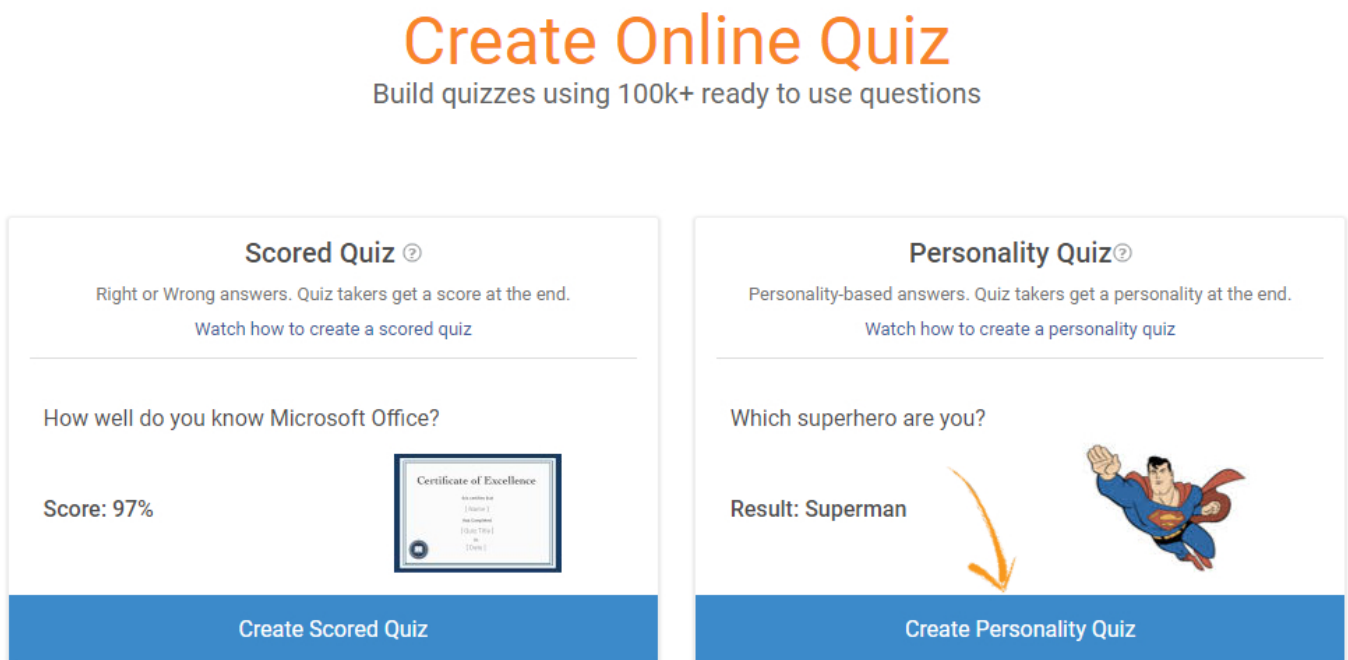

A [Personality quiz](#) helps you to understand the aspects of an individual's character or psychological makeup. On the other hand, a [Scored quiz](#) enables you to test the knowledge of learners. In a Personality quiz, the grading is also different since there are no right or wrong answers, and you can assign points to answers' options based on your discretion.

Here are the steps to create a Personality quiz:

Step 1: On your ProProfs Quiz Maker dashboard, click **+ Create a Quiz**.

Step 2: Click **Create Personality Quiz**.

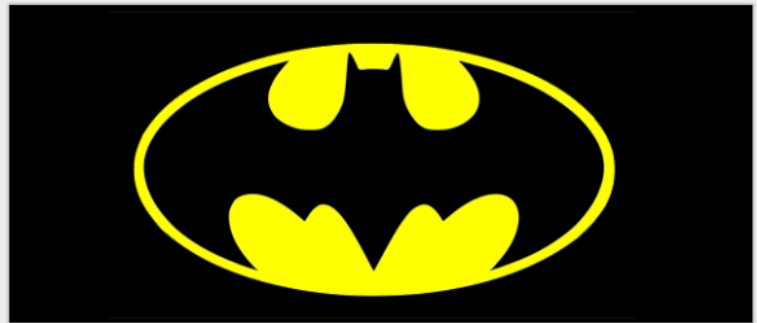

Step 3: On the editor, click **Personalities** to add various personalities of your choice. By default, we have provided Superheros. Click on a personality to open it for editing.
