

# How to Show All Questions on One Page

In ProProfs Quiz Maker, you can display all the questions on a single page in your quiz to give users a smooth navigation experience when taking the quiz.

This feature can be enabled from the general settings of the ProProfs Quiz editor.

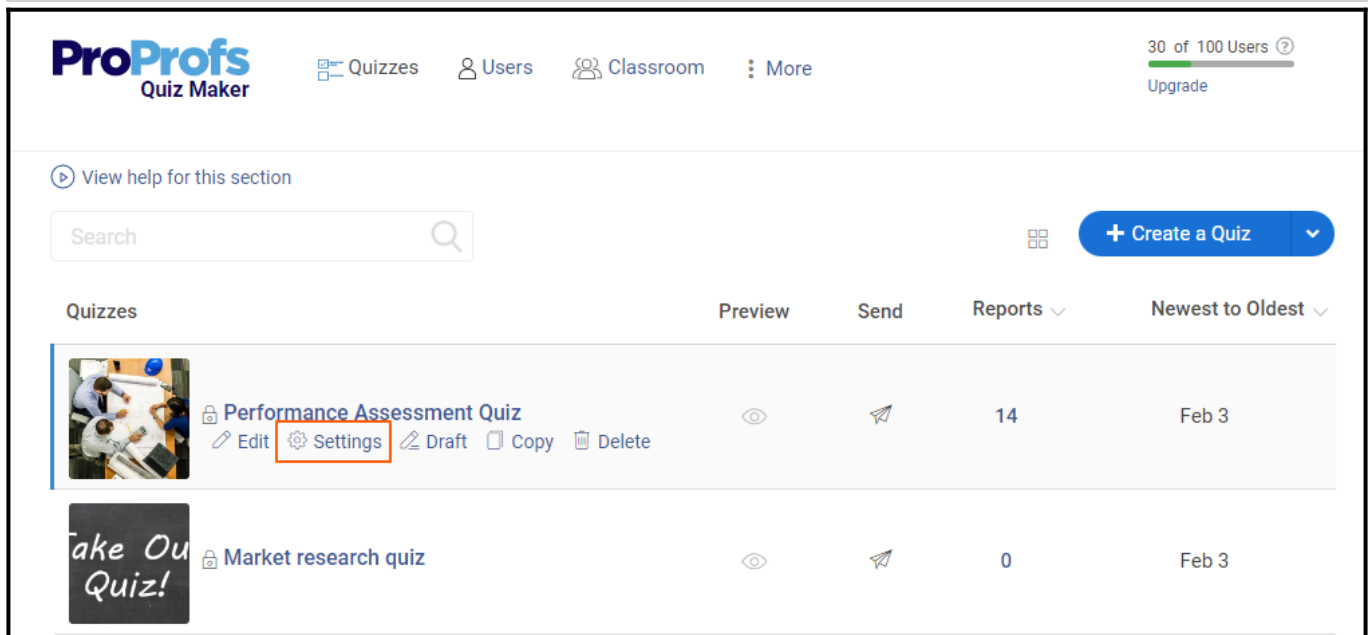

Here's how all questions in a quiz appear on a single page:

Displaying all questions on a single page can improve the user experience for quiz takers by allowing them to jump to any question and attempt the quiz in any order they prefer. This can lead to a more efficient and personalized experience for the user, as they can focus on the questions they feel most comfortable answering first and then revisit the others at their own pace. Overall, providing users with greater flexibility and control can enhance their engagement and satisfaction with the quiz-taking process.

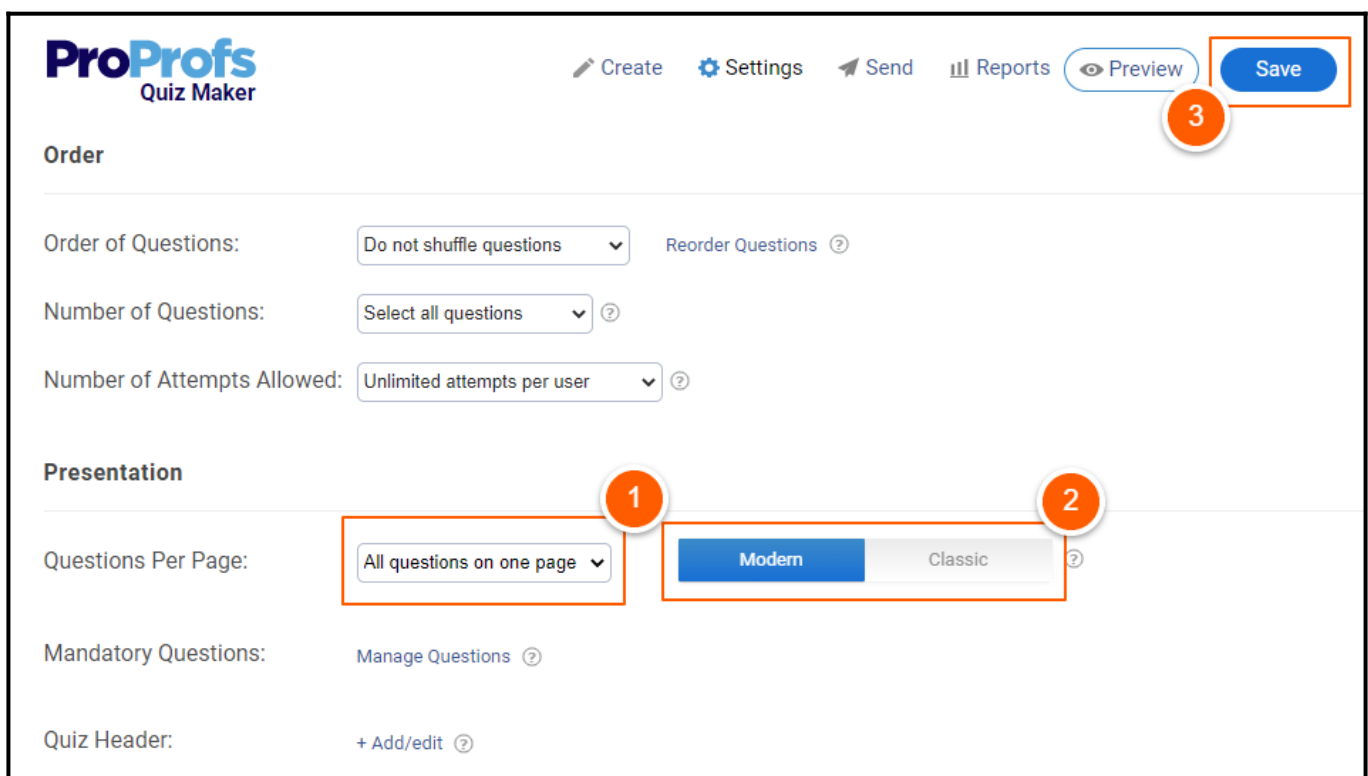

## To Display All the Questions on One Page

**Step 1:** Navigate to the quiz and click “**Settings.**”

The screenshot shows the ProProfs Quiz Maker dashboard. At the top, there's a navigation bar with 'Quizzes', 'Users', 'Classroom', and 'More'. A status bar indicates '30 of 100 Users' and an 'Upgrade' button. Below the navigation bar, there's a search bar and a '+ Create a Quiz' button. The main content area displays a list of quizzes. The first quiz, 'Performance Assessment Quiz', has its 'Settings' button highlighted with an orange box. Other buttons like 'Edit', 'Draft', 'Copy', and 'Delete' are also visible. The second quiz, 'Market research quiz', is partially visible below it.

**Step 2:** Under Presentation, set “**Questions Per Page**” as “**All questions on one page.**” Choose the question display type as “**Modern**” or “**Classic**” and click “**Save.**”

The screenshot shows the 'Presentation' settings page in ProProfs Quiz Maker. At the top, there are buttons for 'Create', 'Settings', 'Send', 'Reports', 'Preview', and 'Save'. The 'Save' button is highlighted with an orange box and a red circle with the number 3. Below the buttons, the 'Order' section includes settings for 'Order of Questions' (Do not shuffle questions), 'Number of Questions' (Select all questions), and 'Number of Attempts Allowed' (Unlimited attempts per user). The 'Presentation' section includes 'Questions Per Page' (All questions on one page, highlighted with an orange box and a red circle with the number 1), 'Mandatory Questions' (Manage Questions), and 'Quiz Header' (+ Add/edit). The 'Modern' and 'Classic' question display types are shown, with 'Modern' selected and highlighted with an orange box and a red circle with the number 2.

*That is all about displaying all questions on one page of your ProProfs Quiz Maker.*
