

How to Allow Quiz Takers to Skip Questions or Review Answers Before Submission

With [ProProfs Quiz Maker](#) you can allow learners to:

1. Skip a specific question and jump to the next one
2. Go back to a previous question and change their answers
3. Mark particular questions for review before final submission

The image below shows you how learners can perform the functions mentioned above while [taking a quiz](#).

Follow the step mentioned below to enable "Review" and Skip plus Go back" functions on your quiz:

Go to "Settings" and under "Presentation," select "One question per page" and then select "Yes" in the following options:

- Allow review before final submission
- [Allow learner to jump to any question](#)
