Below the toolbar is a text input field containing the text "H2". Two red callout boxes with yellow backgrounds and red borders provide instructions: one points to the superscript and subscript symbols in the toolbar, stating "Click on these symbols to add a superscript or subscript", and the other points to the "Accept" button, stating "Once you have added the subscript, click on Accept". At the bottom of the input field, there are "Accept" and "Cancel" buttons.
