

Can ProProfs Quizzes Run on iPhone, iPad & Android Devices?

Yes, you can run quizzes on iPhone, iPad, Android and other mobile devices. Our premium [quizzes](#) have a very clean & light weight user interface that can be easily accessed from any mobile browser. We also use [HTML5 technology](#) to ensure that your quizzes run across all kinds of mobile devices and web browsers.

Additionally, **our quizzes do not need any mobile app or browser plugin.** Learners get the best possible experience as the quizzes automatically adjust to the screen-size of their devices.
