

# How to Print a Quiz

ProProfs Quiz Maker lets you easily print or download your quizzes in PDF format. You can select from multiple printing options to print a quiz with specific content.

**Here's what a printed version of a quiz looks like:**

Printing your quizzes can be helpful when taking an oral assessment of your learners.

## To Print Your Quizzes

**Step 1:** In your ProProfs Quiz Maker dashboard, navigate to the quiz you want to print/download and click the share icon.

The screenshot shows the ProProfs Quiz Maker dashboard. At the top, there's a navigation bar with 'Quizzes', 'Users', 'Classroom', and 'More' options. A search bar and a 'Create a Quiz' button are also present. Below this, a table lists quizzes. The first quiz is 'Performance Assessment Quiz' with 15 attempts and a date of Dec 20. An orange box highlights the 'Share' icon (a paper plane) for this quiz, with an arrow pointing to it and the text 'Click here'. The second quiz is 'Brand Management Quiz Template' with 0 attempts and a date of Dec 16.

**Step 2:** Navigate to **Print**, select the printing preference, and click the **Print** button. Also, you can preview the quiz for any selected printing option before printing it.

The screenshot shows the 'Print Quiz' dialog box. At the top, there are five tabs: 'Email', 'Share via', 'Embed', 'Print' (which is selected and has a blue circle with the number 1), and 'QR code'. Below the tabs, there are five radio button options for printing: 'Quiz only' (selected, with a blue circle with the number 2), 'Quiz + Feedback', 'Quiz + Answer', 'Quiz + Answer key', and 'Quiz + Answer + Feedback'. At the bottom, there are two buttons: 'Print' and 'Preview Full Screen' (with a blue circle with the number 3). A preview of the quiz is shown on the right, featuring a 'Preview Full Screen' button and a Twitter logo.

**Here's a short description of printing options for your quizzes:**

- **Quiz only:** Print only the questions.
- **Quiz + Feedback:** Print quiz questions with their feedback/answer explanations.

- **Quiz + Answer:** Print questions with the correct answers highlighted.
- **Quiz + Answer key:** Print questions with the answer key at the end of the quiz.
- **Quiz + Answer + Feedback:** Print questions with correct answers and answer feedback.
