

How to Add a Video & Audio Track to Quiz Questions

You can easily upload existing audio and video files while [creating a quiz](#) with ProProfs.

Take a look at the sample quizzes with audio and video files:

- [Quiz with audio](#)
- [Quiz with video](#)

Step 1. Click the "Audio/Video" question type from the [quiz editor](#). You can drag and place the placeholder anywhere on the quiz.

Step 2. Upload your Audio/Video file, click "Save" and you are done!

Supported formats include .flv, .mp3 and .mp4

Upload

Title | Enter title of the video

TOEFL Listening Test
